

THE MOST EXCEPTIONAL SILK SALE Ever Attempted by this Store.

Exceptional, first because of the very low prices—secondly, because every piece is NEW, more than nine hundred yards having just been received from New York.

"Fashion predicts two of the biggest seasons for colors in years just ahead of us."

In view of the above predictions a sale of Colored Silks at this time becomes doubly interesting.

400 Yards of All Silk Tussah Silk - 42c Yard

Never could have been retailed for less than 59c to 65c per yard. New Spring patterns, in a splendid combination of colorings, 18 1-2 inches wide.

500 Yards of All Silk Novelty Silks, 53 1-2c Yard

Every piece is pretty—yet every one is different from the other. None of them could be sold for less than 75c per yard and we have seen Silks at twice this price not one bit prettier. 53 1-2c per yard don't begin to represent the quality.

This sale will run a certain length of time and then if there is any left the prices will have to be considerably more. So don't delay.

The City Fish Market delivery team dashed up through Main street this morning at a two-minute clip, bringing all the store-keepers and their clerks out to the sidewalk, expecting to see a grand smash-up, but the horse fooled them by stopping as short as if it had been shot, and right in front of the Fish Market door, too. The driver of the team left the horse standing in front of the Morse block, and the animal possibly thought that a good brisk run was preferable to standing in the cold, and it started out as suddenly as it stopped when it had reached the market.

GENEROUS DONATION to the CHURCHES OF OUR CITY

Believing in the value of the Christian churches to our city, and community, and hoping to get all the church people better acquainted with us and our methods of doing business, as well, as our store full of high grade footwear, we are going to introduce a new and novel sale of Shoes, Rubbers, Overshoes and Findings, everything usually found in a first-class shoe store.

We shall give the Ladies' Aid Societies of the Churches 15 per cent. of the Actual Cash Sales.

on the days named below, excepting only the Shoes placed on the heaped-up bargain table, which Shoes will be marked at one-third price. These will be all good Shoes, but lines that are broken and must be closed out to make room for the BIGGEST and BEST SPRING STOCK ever placed on the shelves of any Barre shoe store.

The only favor we ask of these Aid Societies is, that they furnish us a gentleman or lady manager for the day of their respective sales, and that these Societies distribute advertising matter among their friends in a liberal manner. Let each Society get busy, and make for themselves a large sum of money.

Tuesday, Jan. 19..... Baptist Ladies' Aid Society
Wednesday, Jan. 20, Congregational Ladies' Aid Society
Thursday, Jan. 21..... Universalist Ladies' Aid Society
Friday, Jan. 22..... Methodist Ladies' Aid Society
Tuesday, Jan. 26..... Salvation Army
Wednesday, Jan. 27..... St. Monica's Ladies' Aid Society
Thursday, Jan. 28..... Presbyterian Ladies' Aid Society
Friday, Jan. 29..... Episcopal Ladies' Aid Society

Every article in our store is marked in plain figures, and sold at one price to all, and this sale means that \$15 in each \$100 sold will go to swell the treasuries of the above societies. Work this method, talk this method, and make us "shell out" a big sum to your treasurer.

Sales begin at 8 a. m. and close at 6 p. m. on each sale day. Watch our advertisement in the Barre Daily Times for your church's day, and come prepared to fit out the entire family.

Shoes purchased in this sale may be exchanged, but no cash refunded for same unless the customer is willing to deduct the 15 per cent. we may have paid your society.
